034AB134

Remarks

Applicant has amended the claims in this case to place the application in condition for allowance. To this end Applicant has deleted claim 1 and amended each of claims 2 through 5 so that those claims depend from allowed claim 6. Claim 4 has also been amended to eliminate duplicative language. In addition, Applicant has amended claim 9 so that claim 9 depends from claim 6 instead of itself and has amended claim 8 so that claim 8 depends from claim 6 instead of from cancelled claim 1.

Applicant has introduced no new matter in making the above remarks. In view of the above remarks, Applicant believes claims 2-11 and 13-22 of the present application recite patentable subject matter and allowance of the same is requested. No fee in addition to the fees already authorized in this and accompanying documentation is believed to be required to enter this amendment, however, if an additional fee is required, please charge Deposit Account No. 17-0055 in the amount of the fee.

Respectfully submitted,

THOMAS J. REHM
